**DECLARATION OF SHANE P. SANDERS  
IN SUPPORT OF CO-LEAD COUNSEL'S  
MOTION FOR AWARD OF ATTORNEYS'  
FEES FILED ON BEHALF OF ROBBINS  
ARROYO LLP**

Date: August 1, 2019  
Time: 2:00 P.M.  
The Honorable Jon S. Tigar  
Courtroom 9, 19th Floor

1 I, SHANE P. SANDERS, declare as follows:

2 1. I am Of Counsel at Robbins Arroyo LLP ("Robbins Arroyo" or the "Firm"). I submit  
3 this declaration in support of Co-Lead Counsel's application for an award of attorneys' fees in  
4 connection with services rendered in the above-captioned derivative action (the "Action"). I have  
5 personal knowledge of the matters set forth herein, and if called upon, could and would testify  
6 thereto.

7 2. At the outset of this litigation, Robbins Arroyo, together with Saxena White P.A.  
8 ("Saxena White"), worked to organize the related derivative actions, including by moving for  
9 consolidation and for the appointment of co-lead counsel. The Firm thereafter worked closely with  
10 Court-appointed Co-Lead Counsel—Saxena White and Lieff Cabraser Heimann & Bernstein,  
11 LLP—in connection with, among other things, briefing in opposition to the defendants' motions to  
12 dismiss; legal research into various discovery issues; and reviewing the documents produced by the  
13 defendants in this case.

14 3. The information in this declaration and its exhibits regarding the time spent on the  
15 Action by Robbins Arroyo's attorneys and other professional support staff is based on  
16 contemporaneous daily time records regularly prepared and maintained by the Firm in the ordinary  
17 course of business. I am the attorney who oversaw and conducted the day-to-day activities in the  
18 litigation, and I, together with attorneys working under my direction, reviewed the Firm's daily time  
19 records to confirm their accuracy.

20 4. The purpose of this review was to confirm both the accuracy of the time entries as  
21 well as the necessity for, and reasonableness of, the time committed to the litigation. As a result of  
22 this review, reductions were made to time in the exercise of billing judgment. Time expended in  
23 preparing the application for attorneys' fees has not been included in this report, and time for certain  
24 timekeepers who had worked only a *de minimis* amount of total time on this case was also removed  
25 from the time report.

26

27

28

5. As a result of this review and the adjustments made, I believe that the time reflected in the Firm's lodestar calculation as set forth in this Declaration is reasonable in amount and was necessary for the effective and efficient prosecution and resolution of the litigation.

6. The hourly rates for Robbins Arroyo's attorneys and professional support staff included in the exhibits to this Declaration are the usual and customary rates set by the firm for each individual. The hourly rates billed for each Robbins Arroyo attorney are set using data derived from the 2016 Annual Billing Rates Survey published by ALM Legal Intelligence and the 2009 Bankruptcy Billing Survey published by ALM Legal Intelligence regarding the rates charged for the services of lawyers with comparable experience by the corporate defense firms we regularly face in shareholder derivative and securities litigation. We also monitor court filings by plaintiffs' firms with comparable shareholder rights practices and reputations to ensure that our hourly rates are comparable. These hourly rates are the same as, or comparable to, the rates accepted by courts in other shareholder derivative litigation or securities class action litigation including courts in this Circuit. Different timekeepers within the same employment category (*e.g.*, partners, associates, paralegals, etc.) may have different rates based on a variety of factors, including years of practice, years at the firm, year in the current position (*e.g.*, years as a partner), relevant experience, relative expertise, and the rates of similarly experienced peers at our firm or other firms. For personnel who are no longer employed by Robbins Arroyo, the lodestar calculation is based upon the billing rates of such personnel in his or her final year of employment by the Firm.

7. Attached as Exhibit 1 is a summary lodestar chart which lists (1) the name of each timekeeper at Robbins Arroyo who devoted more than *de minimis* time to the Action; (2) their title or position (*e.g.*, partner, associate, staff attorney, paralegal); (3) the total number of hours they worked on the Action from January 12, 2017, through and including June 10, 2019; (4) their current hourly rate; (5) their lodestar; and (6) a brief description of the primary work they performed in connection with this case.

8. As reflected in Exhibit 1, the total number of hours expended on this Action by my firm from January 12, 2017, through June 10, 2019, is 240.25. The total lodestar for my firm for

1 that period is \$82,030. This reported lodestar excludes 679.75 hours, and a lodestar of \$241,710,  
2 that reflects the work performed by Robbins Arroyo prior to the Court's appointment of Co-Lead  
3 Counsel in this Action on January 12, 2017.

4 9. Attached as Exhibit 2 are summary descriptions of the principal tasks in which each  
5 attorney and the principal support staff in the Firm were involved in this Action.

6 10. Exhibit 3 sets forth brief biographical summaries for each timekeeper listed in  
7 Exhibit 1, including information about his/her position, education, and relevant experience.

8 11. Exhibit 4 is an Excel spreadsheet which lists (1) the name and position of each  
9 timekeeper; (2) the hours incurred by that timekeeper in each month in each of 10 different task  
10 categories; (3) the hourly rate charged for each timekeeper; and (4) his or her lodestar at his or her  
11 rate. The time reflected includes time spent from January 12, 2017, through June 10, 2019.

12 12. Exhibit 5 summarizes certain of the information contained in Exhibit 4. Specifically,  
13 the "Summary of Categories by Month" tab reflects the total hours spent by all of the Firm's  
14 timekeepers in each of the 10 task categories during each month. Exhibit 5 also shows the total  
15 lodestar for all timekeepers for each month at his or her rate.

16 13. Exhibit 6 also summarizes certain of the information contained in Exhibit 4.  
17 Specifically, the "Summary of Categories by Timekeeper" tab reflects the hours spent during the  
18 entire case by each timekeeper in each of the 10 task categories, and also reflects each timekeeper's  
19 individual hours and lodestar at their rates.

20 14. Attached as Exhibit 7 is a copy of Robbins Arroyo's firm resume.

21 15. Electronic copies of the three Excel spreadsheets, Exhibits 4, 5, and 6, will be lodged  
22 with the Courtroom deputy. We will provide the Court with any further documentation or  
23 explanation with respect to our lodestar, including our detailed daily time records, upon request by  
24 the Court.

## **OF COUNSEL**

### **SHANE P. SANDERS**

Mr. Sanders represents individual and institutional investors in shareholder derivative actions, securities fraud class actions, and mergers and acquisitions actions. He has helped prosecute shareholder litigation that recouped millions of dollars from fraudulent corporate officers and secured the implementation of extensive corporate governance reforms at public corporations. In so doing, Mr. Sanders has successfully opposed numerous dispositive motions, including motions based on demand futility.

Mr. Sanders helped litigate shareholder derivative litigation on behalf of Fifth Street Finance Corp., *In re Fifth Street Finance Corp. Shareholder Derivative Litigation*, Lead Case No. 3:15-cv-01795-RNC (D. Conn. Dec. 13, 2016), based on allegations that the company's officers and directors caused Fifth Street to pursue reckless asset growth strategies, employ aggressive accounting and financial reporting practices, and pay excessive fees to its investment advisor to inflate the investment advisor's perceived value in advance of its initial public offering. Mr. Sanders was instrumental in the discovery efforts and settlement negotiations and mediations, and helped secure an outstanding settlement for Fifth Street and its stockholders, including advisory fee reductions worth at least \$30 million to Fifth Street, and comprehensive corporate governance, oversight, and conflicts management enhancements to substantially improve the compliance control environment at Fifth Street and reduce the likelihood of a recurrence of similar wrongdoing in the future. Mr. Sanders was the lead associate in *In re Koss Corporation*

*Shareholder Derivative Litigation*, No. 10-CV-2422 (Wis. Cir. Ct.-Milwaukee Cty. Sept. 22, 2011), a shareholder derivative action that involved the theft of tens of millions of dollars from the company by one of its executive officers. In that case, Mr. Sanders and his fellow counsel defeated defendants' motion to dismiss based on demand futility and negotiated a settlement that provided for the implementation of extensive corporate governance changes, including the separation of the positions of chairman of the board of directors, chief executive officer, and chief financial officer; the appointment of a lead independent director; enhanced accounting and audit functions; and the implementation of a plan requiring the reimbursement of excess incentive-based compensation in the event of a financial restatement. In *In re Fossil, Inc. Derivative Litigation*, No. 3:06-cv-01672-F (N.D. Tex. July 6, 2011), Mr. Sanders supported a team in multi-year derivative litigation that achieved a settlement securing \$8.6 million payment for Fossil from individual defendants and industry leading corporate governance reform, such as declassifying the election of directors to the board. Mr. Sanders was the lead associate in *Paschetto v. Shaich*, No. 08-SL-CC00805 (Mo. Cir. Ct.-St. Louis Cty. April 8, 2011), a shareholder derivative action on behalf of Panera Bread Company in which Mr. Sanders helped the firm defeat defendants' motion to dismiss based on demand futility and negotiate a settlement that provided substantial benefits to the company and its shareholders. In *In re Vitesse Semiconductor Corporation*, No. Civ240483 (Cal. Sup. Ct.-Ventura Cty. Oct. 17, 2008), Mr. Sanders was part of a team that achieved the return of more than \$13 million from company insiders and valuable corporate governance improvements. In *In re Ligand Pharmaceuticals, Inc. Derivative Litigation*, No. GIC834255 (Cal. Super. Ct.-San Diego Cty. Oct. 12, 2006), Mr. Sanders supported a team that persuaded the court that demand on the board of directors was futile and subsequently defeated all of defendants' other motions, and helped obtain a \$14 million payment to the corporation and significant corporate governance improvements for the company. For his achievements, Mr. Sanders was recognized by his peers as a Super Lawyer Rising Star (2015).

Mr. Sanders received his Juris Doctor degree in 2004 from the University of San Diego School of Law. While in law school, Mr. Sanders served as a law clerk at the San Diego County Public Defender's Office, and he was a member of the Association of Trial Lawyers of America and USD's Sports and Entertainment Law Society. Feb. 6, 2004): Shareholders of Hanover Compressor Company, now known as Exterran Holdings Inc., a provider of natural gas compression services operating in the United States and select international markets, brought claims on behalf of the company against company officers and directors for breach of fiduciary duty, waste of corporate assets, abuse of control, and gross mismanagement. The claims arose out of an off-balance-sheet joint venture to build and operate a natural gas processing plant on barges off the coast of Nigeria. Robbins Arroyo LLP attorneys, serving as lead negotiators for derivative plaintiffs, secured extraordinary results for Hanover. First, Robbins Arroyo LLP achieved for the company approximately \$57.4 million in compensation – consisting of a \$26.5 million payment and the return of 2.5 million shares valued at approximately \$30.9 million by an entity controlled by certain of the individual defendants. Second, Robbins Arroyo LLP helped secure corporate governance changes at the company that have been noted as "groundbreaking" and "unprecedented" benefits for Hanover, including the appointment of two shareholder-nominated directors and becoming one of the

Mar. 29, 2005): The firm served as co-lead counsel for plaintiffs who brought claims for breach of fiduciary duty and unjust enrichment against several officers and directors of Nicor, Inc., one of the largest natural gas distributors in the United States. Plaintiffs alleged that Nicor's management made material misrepresentations to and omitted material information from the Illinois Commerce Commission and the company's shareholders and customers, and unlawfully manipulated the company's operating results. - ***Lieb v. Unocal Corp.***, No. BC331316 (Cal. Super. Ct.-L.A. Cnty. Dec. 20, 2005): Robbins Arroyo LLP served as co-lead counsel for the public shareholders of Unocal Corporation in this securities class action against Unocal and several of its insiders, officers, and directors for self-dealing and breach of fiduciary duty in connection with the proposed sale of Unocal to Chevron Corporation. Plaintiffs alleged that Unocal's management failed to obtain the highest share price reasonably available by tailoring the proposed acquisition terms to meet the specific needs of acquirer Chevron, and by discouraging alternative bids. After obtaining broad expedited discovery, the firm was credited for helping Unocal shareholders to realize \$500 million in additional consideration as a result of Chevron's increased bid of \$17.4 billion. The firm also secured supplemental proxy statement disclosures before Unocal shareholders voted on whether to accept Chevron's bid over a nominally higher bid by the Chinese National Offshore Oil Corporation.

After prosecuting the case for over three years, Robbins Arroyo LLP's attorneys negotiated a comprehensive settlement, which included \$51.5 million in cash contributions to Tenet and sweeping corporate governance reforms and other remedial measures designed to ensure the independence and accountability of the company's board of directors. The new governance regime included separation of the positions of chief executive officer and chairman of the board of directors, strict internal financial controls, enhanced guidelines for stock ownership and stock retention, and a comprehensive insider trading policy. The settlement was upheld on appeal.

Jan. 29, 2007): Robbins Arroyo LLP served on plaintiffs' executive committee in a class action brought as a civil enforcement suit for ERISA violations. The employees alleged that Qwest's management repeatedly misrepresented the

financial status of the company to its employees to encourage employees to make discretionary investments in Qwest common stock. When the truth about Qwest's financial condition and egregious accounting manipulations was revealed, the price of Qwest common stock plummeted, but employees were restricted from selling their retirement fund shares under the terms of the Qwest Savings & Investment Plan. When the restriction was lifted, Qwest stock was trading at an all-time low, devastating the employees' retirement funds. After years of contentious litigation, Robbins Arroyo LLP helped achieve a \$37.5 million settlement for the benefit of the employees who had invested in the retirement plan.

- ***Staehr v. Walter***, No. 02-CVG-11-0639 (Ohio Ct. C.P.-Del. Cnty. Dec. 17, 2007) (hereinafter *Cardinal Health*): Robbins Arroyo LLP led the charge in derivative litigation on behalf of the plaintiff who brought claims against certain Cardinal officers and directors arising out of Cardinal's proposed stock-for-stock acquisition of Syncor International Corp. The action forced Cardinal to reduce the previously negotiated acquisition price for Syncor, saving the company millions of dollars. During the course of its work on the Syncor transaction, Robbins Arroyo LLP and other firms discovered that Cardinal insiders had engaged in a massive revenue inflation scheme to fraudulently overstate the company's financial performance. Robbins Arroyo LLP filed an amended complaint against several of Cardinal's officers and directors, defeated multiple motions to dismiss, and pursued and reviewed millions of pages of documents in discovery. The firm ultimately negotiated and resolved the matter by obtaining \$70 million for the company—among the largest monetary recoveries ever in a shareholder derivative action. The settlement also required Cardinal's board of directors to implement significant corporate governance and internal accounting controls designed to improve the board's oversight of Cardinal's senior management and to prevent recurrence of the alleged accounting manipulations.
- ***In re Juniper Networks, Inc. Derivative Litig.***, No. 1:06-CV-064294 (Cal. Super. Ct.-Santa Clara Cnty. Dec. 4, 2008): Robbins Arroyo LLP served as co-lead counsel in this state shareholder derivative suit against several officers and directors of Juniper Networks, Inc., a global networking and communications technology company, for breach of fiduciary duty, abuse of control, gross mismanagement, waste of corporate assets, unjust enrichment, insider selling, accounting, and rescission in connection with a stock option backdating scheme. After extensively prosecuting the case, the firm helped secure substantive corporate governance reforms and the forfeiture of more than \$22 million in stock options to the company from four executives and directors of the board.
- ***In re KB Home S'holder Derivative Litig.***, No. 2:06-CV-05148-FMC (CTx) (C.D. Cal. Feb. 9, 2009): Robbins Arroyo LLP served as co-lead counsel for the plaintiffs, who alleged that insiders of KB Home, Inc., a prominent builder of single family homes in the United States and France, manipulated their stock option grant dates to misappropriate millions of dollars in illicit compensation. Robbins Arroyo LLP's efforts helped return nearly \$50 million in value to the company, including a cash payment of over \$31 million. In addition, the firm helped KB Home secure corporate governance enhancements and implement remedial measures, including separation of the chairman of the board and chief executive officer positions; declassification of the board of directors; majority voting for elections to the board; adoption of formal written procedures for the grant of stock options; and limits on future executive severance payments, among others.

- ***In re Brocade Communications Systems, Inc. Derivative Litigation***, No. 1:05CV041683 (Cal. Super. Ct.-Santa Clara County Jan. 28, 2010): Robbins Arroyo LLP represented plaintiffs in this shareholder derivative action against officers and directors of Brocade Communications Systems, Inc., an industry leader in data center networking solutions, following the announcement that Brocade would have to restate two fiscal years of financial statements to correct its improper accounting for stock-based compensation expenses. For years, Brocade's insiders had engaged in a secret stock option

backdating scheme designed to reward executives and recruit engineers with stock options priced below their fair market value as of the date of the grants. Robbins Arroyo LLP successfully petitioned the court to proceed with litigation to prevent an inadequate settlement of a related federal action, which would have released the officers, directors, and agents of the company responsible for the criminal backdating scheme for no money to the company nor a payment of attorney's fees, even as the U.S. Government pursued and ultimately won criminal convictions against the responsible executives. After almost three years of diligently prosecuting the case, during which Robbins Arroyo LLP engaged in extensive motion practice, reviewed approximately three million pages of documents, and marshaled evidence from related cases involving the conduct at Brocade, Brocade's Special Litigation Committee retained Robbins Arroyo LLP to serve as its co-counsel, and, after presentations from Robbins Arroyo LLP, authorized the continued prosecution of claims against Brocade's officers and directors and on behalf of the shareholders.

Over the course of three years, our attorneys engaged in extensive motion practice and document, expert, and witness discovery. Shortly before the case went to trial, Robbins Arroyo LLP assisted in achieving a settlement that secured a \$16 million settlement fund for the class.
- ***In re Wireless Facilities, Inc. Derivative Litig.***, No. 04-CV-1663-JAH-(NLS) (S.D. Cal. Mar. 30, 2010): The firm served as co-lead counsel in the derivative action on behalf of an independent provider of security systems engineering for the wireless communications industry and, after more than five years of hard fought litigation, achieved a comprehensive settlement that required certain officers to forfeit significant amounts of stock and/or stock options back to the company, restricted voting rights for certain former officers and directors, secured monetary reimbursement to the company, and implemented a number of important changes to the company's corporate governance, such as the addition of two independent directors to the board and an annual review of the chairman's performance.
- ***In re Am. Int'l Group, Inc. Derivative Litig.***, No. 04 Civ. 8406 (DLC) (S.D.N.Y. Mar. 14, 2011): The firm was appointed lead counsel in the consolidated federal action alleging breach of fiduciary duty claims in connection with a bid-rigging scheme with Marsh & McLennan Companies, Inc., sham reinsurance transactions with General Re Corporation, and other activities intended to falsify American International Group, Inc.'s ("AIG") financial results. As part of a global settlement of the derivative claims on AIG's behalf, Robbins Arroyo LLP helped secure a \$90 million payment to AIG, one of the largest monetary recoveries in the history of shareholder derivative actions.

Robbins Arroyo LLP was instrumental in achieving a settlement that enabled the company to bring its financial statements and Security and Exchange Commission ("SEC") filings current; allowed Vitacost to hold a long overdue shareholder meeting to address fundamental defects in the corporation's formation, board composition, and past stock issuances; and helped the company to persuade NASDAQ to lift its trading moratorium and provide the company and its shareholders access to the capital markets. The firm worked with the company's new board of directors to implement a series of corporate governance best practices, including a robust insider trading policy. Vitacost hired Robbins Arroyo LLP to evaluate and potentially to prosecute the company's claims against other parties relating to the defects in its formation, stock issuances, and other pre-IPO issues.

- **Martinez v. Toll (Toll Bros., Inc.)**, No. 2:09-cv-00937-CDJ (E.D. Pa. Mar. 27, 2013); *Pfeiffer v. Toll*, No. 4140-VCL (Del. Ch. Mar. 15, 2013): Robbins Arroyo LLP represented shareholders in the Toll Brothers, Inc. shareholder derivative litigation in which plaintiffs alleged that certain company officers and directors, including the co-founders, traded on inside information and grossly misled investors about company earnings projections during a housing market downturn. After four years of contentious litigation, the firm helped secure one of the largest *Brophy* (*Brophy v. Cities Serv. Co.*, 70 A.2d 5 (Del. Ch. 1949)) settlements ever, a \$16.25 million cash payment to the luxury homebuilding company. The settlement included a \$6.45 million payment from the executive directors—an unprecedented result in shareholder litigation of this type.
- **Cook v. McCullough**, No. 1:11-cv-09119 (N.D. Ill. Jan. 28, 2014): Robbins Arroyo LLP served as co-lead counsel in shareholder derivative litigation arising out of Career Education Corp.'s alleged publication of false statements regarding job placement and student loan repayment rates, and failure to ensure compliance with Title IV regulations. The firm played a leading role in negotiating the global resolution of a series of actions brought against and on behalf of the company, and helped secure a \$20 million recovery and comprehensive board and management-level corporate governance and oversight reforms for Career Education, including enhanced compliance and whistleblower policies, new director independence standards, improved executive compensation claw-back provisions, a comprehensive director education and employee training program, and an improved regulatory risk management and disclosure regime.
- **Espinoza v. Zuckerberg, C.A.** No. 9745-CB (Del. Ch. Mar. 30, 2016): Robbins Arroyo LLP served as counsel in shareholder derivative litigation on behalf of Facebook, Inc. arising from the alleged award of unfair excessive compensation by the board of directors to its non-employee members. Certain members of Facebook's board of directors attempted to circumvent corporate law procedures to obtain controlling stockholder approval of compensation awarded by the Board to its non-employee members. After deposing Facebook's Chief Executive Officer Mark Zuckerberg and beating a motion for summary judgment, Robbins Arroyo LLP convinced Facebook to impose corporate governance reforms designed to ensure the Board awards executive compensation fairly and not to the detriment of the company, including allowing stockholders to vote on non-employee directors' compensation. As such, Robbins Arroyo LLP helped establish that public companies with controlling stockholders must comply with corporate law procedures.
- **In re Venoco, Inc. S'holder Litig.**, C.A. No. 6825-VCG (Del. Ch. Oct. 5, 2016): Robbins Arroyo LLP served as co-lead counsel to the public shareholders of Venoco, Inc. in this class action arising out of a scheme by the energy company's Chief Executive Officer to buy out Venoco's minority shareholders at an inadequate share price. Robbins Arroyo LLP conducted extensive fact and expert discovery for two years after the closing of the acquisition. During this time, Venoco foundered due to a decline in the price of oil, a burst pipeline, and additional debt from the acquisition, which ultimately led the company to file for bankruptcy. Amidst the company's demise, the firm achieved a settlement fund of \$19 million for shareholders—a significant recovery in light of Venoco's dire financial circumstances. The court noted that this settlement represented a 5.2% increase in the consideration received by the shareholders over the \$12.50 share price in the merger consideration, an increase greater than recent settlements of this type. At the final approval hearing, the Honorable Sam Glasscock III, Vice Chancellor, in the Court of Chancery of the State of Delaware, touted the settlement as a "good result for all" and "very fortunate for the class," and noted Robbins Arroyo LLP as "excellent counsel." Transcript of Proceeding at 19, 22, *In re Venoco, Inc. S'holder Litig.*, C.A. No. 6825-VCG (Del. Ch. Oct. 5, 2016).
- **In re Fifth Street Finance Corp. Shareholder Derivative Litigation**, Lead Case No. 3:15-cv-01795-RNC (D. Conn. Dec. 13, 2016): Robbins Arroyo LLP served as lead counsel in shareholder derivative litigation brought on behalf of Fifth Street Finance Corp. to challenge alleged conflicts of interest in Fifth Street's relationship with its investment advisor, FSAM. Plaintiffs alleged that certain Fifth Street and FSAM officers and directors caused Fifth Street to make reckless investments, use bogus accounting, and pay excessive fees to inflate FSAM's perceived value in the lead up to FSAM's initial public offering.

The firm's settlement negotiations resulted in advisory fee reductions worth at least \$30 million and comprehensive corporate governance, oversight, and conflicts management enhancements.

After five years of contentious litigation and discovery, defendants agreed to settle the case, which included a \$60 million cash payment to Community Health and the implementation of extensive corporate governance reforms, including board modifications to ensure director independence, improved internal disclosure policies to allow for the confidential reporting of suspected violations of healthcare laws, and the establishment of a Trading Compliance Committee to ensure compliance with Community Health's insider stock trading policy, among others.
- ***In re Saba Software, Inc. Stockholder Litig.*** C.A., No. 10697-VCN (Del.Ch.Sept. 26, 2018): Robbins Arroyo LLP served as lead counsel in this shareholder class action in the Delaware Chancery Court against the officers and directors of Saba Software, Inc. for breaches of fiduciary duties related to the buyout of Saba by Vector Capital Management. Plaintiffs alleged that because the company was facing mounting financial concerns, including delisting by the U.S. Securities and Exchange Commission and a failure to complete its internal review of the accounting treatment of certain international transactions, defendants chose to sell the company in a flawed and self-serving sales process in exchange for inadequate merger consideration of Saba shareholders. After three and a half years of litigation, including extensive discovery, mediation, and a lengthy settlement negotiation process, defendants agreed to pay Saba's former shareholders \$19.5 million. In approving the settlement, Vice Chancellor Slight called Robbins Arroyo's representation of the class "exemplary" and touted the settlement as a "strong recovery for the class."

## PARTNERS

### George C. Aguilar

Partner

Mr. Aguilar is a former federal prosecutor and trial lawyer who has tried more than forty federal criminal trials. He focuses his practice on complex litigation, including shareholder rights, securities, antitrust, and employment actions. Mr. Aguilar has successfully litigated numerous shareholder actions against fraudulent management and company insiders, and has secured meaningful corporate governance reforms at companies across the U.S. For example, in *Warner v. Lesar*, No. 2011-09567 (Tex. Dist. Ct.-Harris Cnty. Oct. 1, 2012), Mr. Aguilar led the firm's efforts on behalf of Halliburton Company arising from defendants' mismanagement of risk, controls, and operations that led to the worst oil spill in U.S. history at the Deepwater Horizon offshore drilling rig in the Gulf of Mexico. Navigating the case through the company's internal investigation, and difficult and complex settlement discussions and mediation sessions, Mr. Aguilar secured comprehensive health, safety, and environmental governance reforms. In shareholder derivative litigation on behalf of Maxwell Technologies, Inc., *Loizides v. Schramm*, No. 37-2010-00097953-CU-BT-CTL (Cal. Super. Ct.-San Diego Cnty. Apr. 12, 2012), Mr. Aguilar helped secure a settlement in which the company adopted corporate governance and compliance measures addressing its violations of the Foreign Corrupt Practices Act (FCPA) after being investigated by federal agencies for bribery and subcontracting kickbacks. Of particular note is the creation of a new FCPA and Anti-Corruption Compliance department led by a Chief Compliance Officer to provide for greater effectiveness of Maxwell's board of directors in responding to FCPA compliance issues worldwide. In shareholder litigation involving Brocade Communications Systems, *In re Brocade Communications Systems*,

*Inc., Derivative Litigation*, No. 1:05CV041683 (Cal. Super. Ct.-Santa Clara Cnty. Jan. 28, 2010), the firm prosecuted the shareholder action involving a criminal options backdating scheme at Brocade until the company formed a Special Litigation Committee to consider the plaintiffs' claims. A key player in the prosecution of the action, Mr. Aguilar successfully presented facts and law to the Special Litigation Committee on behalf of the firm's shareholder clients. Brocade ultimately retained the firm as co-counsel to prosecute its claims against Brocade's officers and directors.

Mr. Aguilar also led the firm's efforts as part of a consortium of plaintiff firms in a high profile antitrust class action suit, *Dahl v. Bain Capital Partners*, No. 1:07-cv-12388(WGY) (D. Mass. Mar. 17, 2015), against several private equity firms. Mr. Smith and his co-counsel in *Alex v. McCullough*, No. 1:12-cv-08834 (N.D. Ill. Dec. 5, 2012); *Bangari v. Lesnik*, No. 1:11-CH-41973 (Ill. Cir. Ct.-Cook Cty. Dec. 11, 2011); and *Cook v. McCullough*, No. 1:11-cv-09119 (N.D. Ill. Dec. 22, 2011), negotiated a global settlement that secured a \$20 million recovery for Career Education, as well as comprehensive board and management-level governance and oversight reforms.

Mr. Smith has played an important role in improving the quality of corporate governance and oversight at pharmaceutical and bio-technology companies. In *In re Forest Labs., Inc., Derivative Litigation*, No. 1:05-cv-03489 (RJB) (S.D.N.Y. Feb. 7, 2012), Mr. Smith secured comprehensive regulatory oversight and compliance reforms to address the fallout resulting from Forest Lab's marketing of Celexa and Lexapro for off-label treatment of pediatric depression — violations that cost Forest Labs more than \$313 million in fines and sanctions. Mr. Smith spearheaded the litigation and settlements in shareholder derivative actions brought on behalf of biotechnology companies, MannKind Corporation, *In re MannKind Corp. Derivative Litigation*, No. 1:11-cv-05003-GAF-SSx (C.D. Ca. June 13, 2011), and CTI BioPharma (f.k.a. Derivative Litigation*, No. 07-CH-23297 (Ill. Cir. Ct.-Cook Cty. Nov. 29, 2012). Mr. Smith was instrumental in drafting and negotiating a comprehensive overhaul of board- and executive-level supervision of financial disclosures, as well as broader corporate governance reforms designed to align director and executive compensation with long-term shareholder interests and to eliminate incentives for executives to manipulate results or withhold negative information from shareholders. As lead counsel in *Monday v. Meyer*, No. 1:10-cv-01838-DCN (N.D. Ohio Aug. 17, 2012), Mr. Smith challenged the KeyCorp Board of Director's handling of an unlawful tax avoidance scheme, which exposed the bank to billions of dollars in back taxes and fines by the IRS. While the case was on appeal, Mr. Smith negotiated corporate governance reforms that strengthened KeyCorp's internal controls and Board oversight over financial transactions and legal/regulatory risk, capital planning, dividends, and stock repurchases. Mr. Smith played a key role in persuading Brocade Communication Systems, Inc.'s Board Special Litigation Committee to prosecute stock option backdating claims against former officers and directors of Brocade. *In re Brocade Communication Systems, Inc., Derivative Litigation*, No. 1:05-cv-041683 (Cal. Super. Ct.-Santa Clara Cty. Jan. 28, 2010). As part of a four-lawyer team, Mr. Smith convinced the Committee to retain the firm as co-counsel to pursue the claims. ## OF COUNSEL

### **Shane P. Sanders** Of Counsel

Mr. Sanders represents individual and institutional investors in shareholder derivative actions, securities fraud class actions, and mergers and acquisitions actions. He has helped prosecute shareholder litigation that recouped millions of dollars from fraudulent corporate officers and secured the implementation of extensive corporate governance reforms at public corporations. Mr. Sanders helped litigate shareholder derivative litigation on behalf of Fifth Street Finance Corp., *In re Fifth Street Finance Corp. Shareholder Derivative Litigation*, Lead Case No. 3:15-cv-01795-RNC (D. Conn. Dec. 13, 2016), based on allegations that the company's officers and directors caused Fifth Street to pursue reckless asset growth strategies, employ aggressive accounting and financial reporting practices, and pay excessive fees to its investment advisor to inflate the investment advisor's perceived value in advance of its initial public offering. Mr. Sanders was instrumental in the discovery efforts and settlement negotiations and mediations, and helped secure an outstanding settlement for Fifth Street and its stockholders, including advisory fee reductions worth at least \$30 million to Fifth Street, and comprehensive corporate governance, oversight, and conflicts management enhancements to substantially improve the compliance control environment at Fifth Street and reduce the likelihood of a recurrence of similar wrongdoing in the future. Sept. 22, 2011), a shareholder derivative action that involved the theft of tens of millions of dollars from the company by one of its executive officers. In that case, Mr. Sanders and his fellow counsel defeated defendants' motion to dismiss based on demand futility and negotiated a settlement that provided for the implementation of extensive corporate governance changes, including the separation of the positions of chairman of the board of directors, chief executive officer, and chief financial officer; the appointment of a lead independent director; enhanced accounting and audit functions; and the implementation of a plan requiring the reimbursement of excess incentive-based compensation in the event of a financial restatement. In *In re Fossil, Inc. Derivative Litigation*, No. 3:06-cv-01672-F (N.D. Tex. July 6, 2011), Mr. Sanders supported a team in multi-year derivative litigation that achieved a settlement securing \$8.6 million payment for Fossil from individual defendants and industry leading corporate governance reform, such as declassifying the election of directors to the board. Mr. Sanders was the lead associate in *Paschetto v. Shaich*, No. 08-SL-CC00805 (Mo. Cir. Ct.-St. Louis Cnty.
